§ 1 Rights Granted

The copyright to this Contribution is transferred to Scuola IaD dell'Università di Roma Tor Vergata (hereinafter called Scuola IaD). The copyright transfer covers the sole right to store, reproduce, publish, disseminate, and sell throughout the world the said Contribution and parts thereof, as well as its translations in any foreign languages, in all forms and media of expression – such as in its electronic form (offline, online) – now known or developed in the future.

Scuola IaD will take, either in its own name or in that of the Author, any necessary steps to protect these rights against infringement by third parties. It will have the copyright notice inserted according to the provisions of the Universal Copyright Convention (UCC) and dutifully take care of all formalities in this connection, either in its own name or in that of the Author.

If the Author is an employee of the U.S. Government and performed this work as part of his/her employment, the Contribution is not subject to U.S. copyright protection. The Author transfers the publishing rights to Scuola IaD to the extent transferable.

The Author may self-archive an author-created version of his/her Contribution on his/her own website and/or in his/her institutional repository, including his/her final version. He/she may also deposit this version on his/her funder's or funder's designated repository at the funder's request or as a result of a legal obligation. Furthermore, The author may only post his/her version provided acknowledgement is given to the original source of publication and a link is inserted to IxD&A's website. The link should be accompanied by the following text: "The original publication appeared on IxD&A on (number, year)".

The Author retains the right to use his/her Contribution for his/her further scientific career by including the final published paper in his/her dissertation or doctoral thesis provided acknowledgement is given to the original source of publication. The Author also retains the right to use parts of the Contribution (e.g., illustrations) for inclusion in future work, and to publish a substantially revised version (at least 30% new content) elsewhere, provided that the original IxD&A Contribution is properly cited.

The Author warrants that his/her Contribution is original except for such excerpts from copyrighted works (including illustrations, tables, and text quotations) as may be included with the permission of the copyright holder thereof, in which case(s) the Author is required to obtain written permission and to indicate the precise source. The Author warrants that the Contribution has not heretofore been published in whole or in part, that it contains no libelous statements and does not infringe on any copyright, trademark, patent, statutory rights or proprietary rights of others, and that he/she will indemnify Scuola IaD against any cost, expenses or damages for which Scuola IaD may become liable as a result of any breach of this warranty.

§ 2 Delivery of the Work and Publication

The Author agrees to deliver to the Editor(s) in chief of IxD&A Editor(s) or, eventually to Associated Editor(s) or Guest Editor(s), on a date to be agreed upon, the manuscript created according to the given instructions for authors. Scuola IaD agrees to publish the said Contribution at its own cost and expense. After submission of the Consent to Publish form signed by the Corresponding Author, changes of authorship, or in the order of the authors listed, will not be accepted by Scuola IaD.

§ 3 Entire Agreement

This agreement shall be deemed to be made under and shall be interpreted in accordance with the laws of the Italian Republic.

The Corresponding Author signs for and accepts responsibility for releasing this material on behalf of any and all Co-Authors.
